THE STORY OF SOMEONE WE KNOW

아는사람 이야기

Ep. 4. Old-time Lovers

shuffle
Oops!!
This is my stop!

Chief,
I'm here~
You're working so hard even though it's the weekend...
These are the final revised documents
point

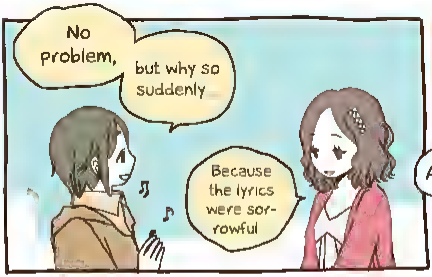
What?
Ah...my earphones!
You always do that!
Ha
Ha
Ha

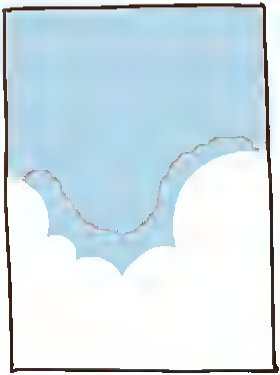
I'm sorry...
What were you listening to? Probably old songs, right?
Well...Yes.
stare—
?
Miss Jung-Ah, why don't you
make more of an effort with your appearance?
You'd be very pretty if you did

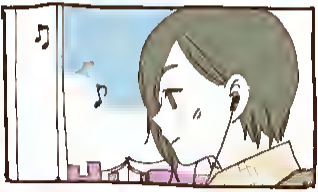
These days, people are so preoccupied with making themselves up, be it man or woman! It's a sort of weapon
Aha
haha
Plus, if you become prettier, won't your boyfriend appreciate you a bit more?
I'm not scolding you, I just thought it was a pity...
I know, I know...
Anyway, good job and thanks for coming all the way here Miss Jung-Ah. I'll see you on Monday.
No problem. ^^ I'll be going then
Oh,
Miss Jung-Ah.
How's it going with you and your boyfriend?

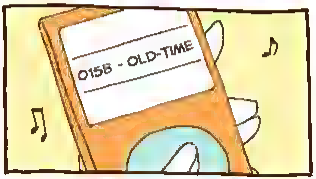


No problem,
but why so suddenly...
Because the lyrics were sorrowful
Very loud
Ah...

Don't worry, we're doing fine_^^
Well, that's good!
I'll be going then...
Bye







0158 - OLD-TIME

An apartment in the suburbs that has a relatively cheap monthly rent.
I'm home...
I'm living here together with my boyfriend of five years...
...
Welcome back.

More specifically, three months ago, my boyfriend, an aspiring writer,
He could of at least looked at me...
moved into my apartment and started using it as his studio.
Coffee?
Ah, yeah...
I understand the worries of the people around me...
Because sometimes I worry about it, too

Has the distance between us decreased or increased during that time?

thud
Ah, thank you.
How is it going?
I don't know... Just the same, I think...
streeeetch
Ugh...
Take a break once in awhile

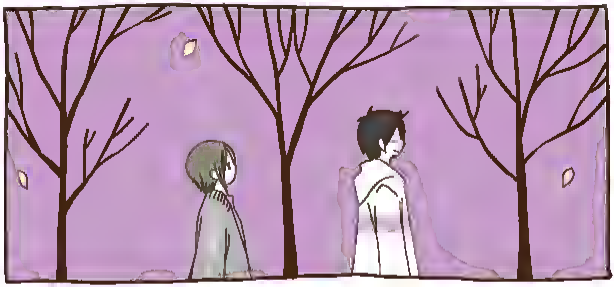
You'll make yourself sick.
Okay...

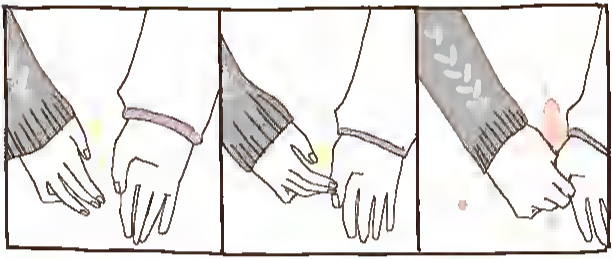
Shall we go for a walk, then...?

And that was hot—

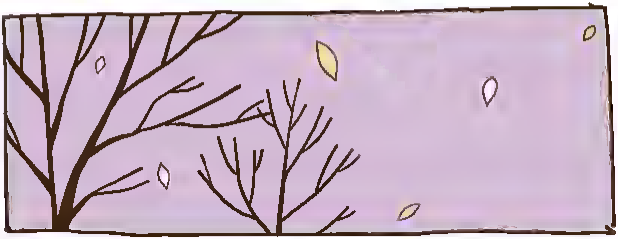
Ah, sorry! ･ﾟ･



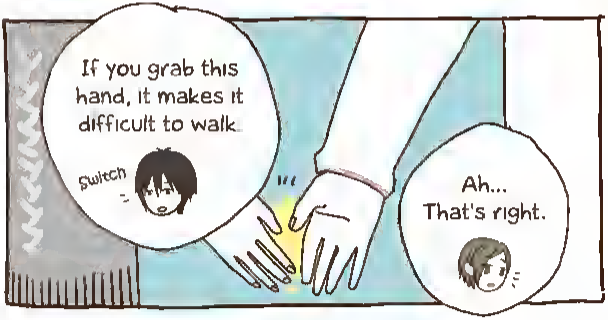
Whenever I have doubts, I tell myself:



It doesn't matter whether the distance is longer or shorter.



The memories and trust piled up during that time that we were together...



Will have made our relationship stronger,

whether the distance be great or small.

So we'll always be okay

In the times to come...
